

LOST IN THE 70's

Step into a time warp where Britannia and Americana converge in eclectic mix of music, culture and fashion.

ATTRACTIONS

Pinball Wizard Arcade

Guests will feel as though they've stepped back into the '70s with colorful graphics, flashing lights and fanciful sounds in this retro arcade. The most excellent selection of games from yesterday and today includes pinball machines and old-school video games as well as modern interactive stations and dance machines.

DINING

Alice's Restaurant is the Park's only table service restaurant (sit down, sit in, you've got time). Designed as a simple, New England colonial structure and decorated in a mid-sixties, hippie style, Alice's Restaurant offers a relaxing alternative dining experience in the Park. The menu features a full selection of starters, soup, salads, entrees of fish, beef, fowl, Italian specialties, vegetarian and vegan dishes and scrumptious desserts.

RETAIL

King's Road Boutique

Guests are cordially invited to browse for interesting curiosities and fashions at this intimate retail shop. The Pop Art interior evokes memories of '70s bell bottoms, miniskirts, and mood rings!
